Sub: Inter Railway /Inter Divisional Transfer requests of staff – consideration of the requests of women employees on priority – reg.

In view of the utmost importance attached to the enhancement of women's status in all walks of life and to enable them to lead a normal family life as also to ensure the education and welfare of the children, the instructions regarding posting of husband and wife at the same station were issued by Board from time to time SC Nos. 282/71, 39/88 and 60/98.

Board vide their letter dated 02.02.2010 [SC No. 32/2010] issued modified guidelines regarding posting of husband and wife at the same station, as far as possible, in respect of employees working in Central Govt. /State Govt. /PSU/Autonomous Bodies/ Private Sector. It was also indicated therein that a separate register should be maintained at each Divisional and Zonal headquarters of the Railways for registering requests for transfers from railway servants for posting at the place of posting of their spouses, which is to be reviewed from time to time, by the competent authority.

Divisions /Units are also aware that transfer portal 'Comptran' for Railway employees was introduced and Inter Railway / Inter Divisional request transfer of all the employees including the women employees on spouse account are registered by all the Railways online and the same is being monitored by the Board. Even after the introduction of the online based transfer portal 'Comptran', the instructions on giving priority to employees who request for inter railway / inter divisional transfer on spouse account have not undergone any change.

Despite existence of the above instructions, it has been pointed out by the GS/SCRE Sangh that requests from women employees for inter railway / inter divisional transfer on spouse account are not being considered on priority.

While reiterating the Board's instructions on the subject of registering requests for transfer received from women employees on spouse account, as well as maintenance of separate register for the purpose, it is advised that all out of efforts may be made to post the husband and wife at the same station on priority.

This issues with the approval of the competent authority.
