Sub: Transfer of Bungalow Peons

The working system of Railways is distinctly different from the working of other Central Govt. departments/ organisations. The Railway officers are required to tour extensively over their jurisdiction inspecting the units under their control for effective functioning of Railway system. Since the duties of officers involve frequent movement outside their headquarters, a Bungalow Peon has been provided at the residence of the officer to attend to the household needs.

In terms of this office letter No. P[R]564/BP/III dated 13.07.2006, when an officer is transferred to a post having the post of Bungalow Peon, within the Railway, the Bungalow Peon attached to the officer must be transferred along with the officer, irrespective of the number of days of service put in by the Bungalow Peon. Instructions also provide that in case the officer retires or transferred to a post for which there is no Bungalow Peon or in the event of deputation / training / long leave [more than 3 months] of the officer, the Bungalow Peon who has completed 240 days and is entitled for temporary status may be considered for posting as Substitute against post of Gangmen with the personal approval of CPO. If the Bungalow Peon has worked for less than 240 days, his services shall be terminated forthwith.

While the officers are entitled to go on deputation to organisations outside the Railways on option basis, the Bungalow Peons attached to such officers are not entitled to be transferred out of the Railways.

It has come to notice that officers who are transferred on deputation to IRCTC, RVNL, etc., are requesting to transfer the services of the Bungalow Peon also to that organisation.

The issue has been examined and it is advised that officers going on deputation to organizations outside the Railways are not eligible for transfer of existing Bungalow Peon to that organisation. In such cases, the Bungalow Peon who has completed 240 days is to be considered for posting as Substitute Track Maintainer Gr.IV [Gangmen] with the personal approval of CPO. If the Substitute Bungalow Peon has worked for less than 240 days, his services may be terminated forthwith.

This issues with the approval of Chief Personnel Officer (Admn.).
