***Sub: Filling up posts of Loco Inspectors and Power Controllers
/ Crew Controllers***

Kindly refer to Board's letter of even no. dated 26.03.2009 on the subject noted above. In this connection, some of the Railways have sought clarifications whether minimum guaranteed kilometers, incentive kilometers/ ghat section kilometers, and shunting kilometers will be included in calculating the eligibility criteria of 75000 Kms foot plate experience.

2. It is clarified that all the driving duties performed by a loco pilot in the locomotive cab are footplate duties. The experience gained by a loco-pilot by performing actual footplate duties is his driving experience. The minimum guaranteed kilometers, incentive / ghat section kilometers, and shunting kilometers, where actual footplate duties are not performed, may not be taken into account while considering the eligibility criteria of running staff for the selection of LIs /PRCs /CCs.
