\*\*\*\*

Instructions have been issued vide Board's letter of even number dated 19.06.2007 detailing the overseas medical insurance required to be purchased as also the declaration required to be submitted by the officers/employees prior to sanction of ex-India leave.

2. Clarifications have been sought by some of the Railways on the stipulations contained in para 2.1 and 2.2 of the above instructions whether overseas medical insurance to the tune of US\$ 50,000/- should be insisted upon as stipulated in para 2.1 or a declaration to purchase adequate insurance coverage for the medical emergency while on ex-India leave as contained in para 2.2 will be sufficient. A clarification has also been sought whether purchase of the medical insurance cover is necessary for ex-India leave of short duration i.e. for a few days only.

3. The matter has been considered by the Board and it has been decided that the stipulation regarding purchase of overseas medical insurance to the tune of medical cover of at least US \$ 50,000/- contained in para 2.1 of letter dated 19.06.2007 may be dispensed with and only the declaration as contained in para 2.2 thereof should be obtained from the employees of their intent to purchase adequate medical insurance cover keeping in view the cost of treatment in the country they intend to visit, while applying for ex-India leave.

4. As regards the duration of leave for which the insurance cover is required to be purchased, since medical emergency can arise even during ex-India leave of short duration, the declaration as mentioned above may be obtained from all employees proceeding on ex-India leave irrespective of the duration of the leave applied for.

5. The other instructions contained in Board's letter dated 19.06.2007 referred to in para 2.2 [a] hold good.
