*Sub: Recording of higher academic /educational qualification in the
Service Record of employees recruited through RRBs.*

2. This has been considered. Board have decided that if a candidate being recruited through RRB has acquired higher educational qualification than that mentioned in his/her application form to RRB, entry of such educational qualification may be made in his/her Service Record after due verification subject to the proviso that such course has been completed successfully before joining the railways. Past cases need not be re-opened.
